ACCOMMODATION FOR URBANIA 2012

The published course fees include shared room-self catering accommodation only.

Self Catering Shared Apartments:

- Students will be housed in 2 bedroom apartments sharing bathroom and kitchen facilities.
- Rooms are shared by 2 students according to age or special pairing requests.
- This accommodation is self catering. Students provide their own food.
- All flats are provided with bed linen, towels, crockery, cutlery, kitchenware, etc
- Utility costs are included and are shared equally by all flat mates.
- Shared room – self catering accommodation only has been included in all course fees.
- Single rooms for chaperons and assisting guests are also available by request. (Rates per person)

Family stays:

We highly recommend that you stay with a host family. A family stay will cost a little more but meals are included. All meals can be provided but we generally recommend ½ board. If your aim is to learn as much Italian as possible, you will be learning Italian even as you eat!

Family stays can be arranged only if specifically requested. (Rates per person)

Mini apartments:

Depending on how much independence you require, for an extra cost there are independent mini apartments.

Single apartments may be shared by two people and we recommend that couples share independent mini apartments.

- **Accommodation will be available from the 23 JUNE 2012**
- **Students are free to depart 19th July 2012.** Upon request accommodation may be available until 21 July.
- **Accommodation must be vacated by 10:00 on the morning of departure**

Other accommodation:

At an “agriturismo” (guest-house on farm) or in a country house a short distance from Urbania may arranged through Scuola Italia (our language teaching associates).

A car is usually recommended if you wish to stay in one of these locations.

Very attractive self catering apartment accommodation is available for parents and relatives in a nearby town Peglio which is only 3km out of Urbania. Less expensive than a hotel or 'country house' but understandably more than what students are charged, places are subject to availability. There are buses that run quite frequently from Peglio to Urbania but for complete convenience a car is recommended.

Please contact [Dance Master Class](#) for further details.

Dance Master Class has compiled a list of places to stay in Peglio and other nearby towns.

Should you wish to make your own arrangements for staying in Urbania, we recommend that you contact the tourist board: Ufficio Turismo e Cultura

- **Please note that correspondence concerning accommodation can only be entered into *after* students have been accepted on the course.**
- Please complete an [application form online](#).
